

New Electronic Parking System (EPS) in NUH – Complimentary Coupons for GP Partners

With effect from 30 June 2008, NUH has adopted an Electronic Parking System (EPS) for all its carpark.

With the exception of GP CME Events when complimentary parking coupons (limited number available) can be collected from the staff-on-duty upon registration, GP Partners are still entitled to complimentary parking when ad-hoc visits to NUH are made.

Collection point of the coupons, however, has been changed to :

Security & Carpark Management Office

Level 1 of Kent Ridge Wing

(Next to Linkway 1 to NUH Main Building)

Close to Lift Lobby 7 & Medical Records Office
