

## **Our “*On Time*” Promise to Patients**

We strive to attend to all patients  
in a timely manner.

Please arrive at least 10 minutes before  
your appointment to register and  
prepare for your session.

Your appointment may need to be rescheduled  
to a later time or date if you arrive late.

This will allow for our patients to reap the  
maximum benefits from a full session, and for  
us to attend to the patients after you punctually.

**Thank you for partnering us to  
deliver on our “on time” promise!**
