PaedsENGAGE

(ENGagement And GP Empowerment)

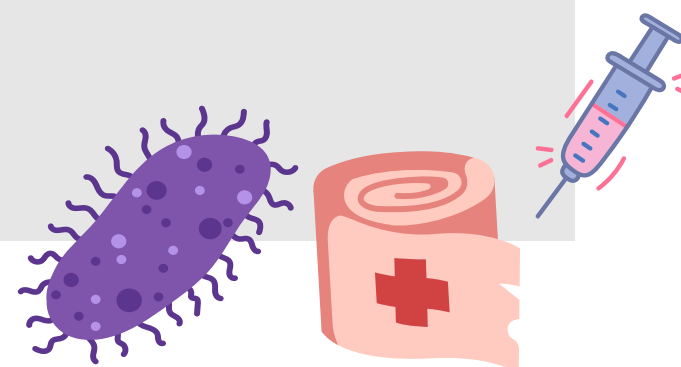

Background

- **Launched in April 2023:** PaedsENGAGE is a collaborative nationwide initiative led by NUH and KKH
- **Reduce Children's Emergency attendance**
- **Right-siting of care in the community:** GPs serve as first touch points for managing mild to moderate paediatric conditions in the community

Key Conditions

- **Fever**
- **Breathlessness**
- **Vomiting**
- **Diarrhoea**
- **Rashes**
- **Simple Injuries**

Benefits For Patients

- **Quality paediatric care:** Delivered closer to home
- **Receive \$50 subsidy:** applied to prevailing Children's Emergency Fees
- **Continuity of care:** follow-up with the referred PaedsENGAGE GP after emergency visit

Enablers and Support for GPs

Training & capability-building

- **Online e-learning modules:** Self-paced (within 2 months) leading to PaedsENGAGE GP Partner certification
- **Quarterly Educational Forums:** Expert insights talks, real case discussion, and hands-on skills workshops
- **Clinical observerships:** Observe acute and common procedures at CE

GP Community Support & Care

- **GP WhatsApp Community:** Kerb-side consultations with specialists to reduce avoidable admissions
- **Care pathway resources:** Management guidance, drug/antibiotic guidelines, shared booklet, and tools
- **Continuity of care:** GP reply letters for ongoing care management
