NOTE:

- Patients are not eligible for admission to subsidised wards and can only be admitted to Deluxe Suite, A1 or B1 Class wards if they are:
 - Non-residents
 - Admitted for non-basic healthcare services
 - Transferred from private hospitals
 - Transferred from private wards from other restructured hospitals
 - Referred to a specific doctor for consultation or treatment
 - Being consulted or treated by their choice of doctor
- Patients can only be admitted to Deluxe Suite or A1 Class wards if they are:
 - Obstetrics patients who are 'R' pass holders or any other work pass holders married to Singapore citizens/Permanent Residents, without approval of the Ministry of Manpower.
 - Referred from private clinics of visiting consultants.
- Patients who are Residents and not warded for the reasons stated in Clause 1, are eligible for admission to private or subsidised wards.
- Charges quoted for private class wards are inclusive of 8% GST.
- Actual charges may differ for Singapore Citizens, Permanent Residents, Resident Foreigners and Non-Residents. Please confirm with the counter staff prior to admission.
- Charges shown for B2 and C Class wards are based on the assumption that the patient receives maximum government subsidy (GST is absorbed by the hospital).
- Charges above are only bed charges and **DO NOT** include other hospital charges e.g. daily treatment fee (DTF), procedures, medication, laboratory tests, x-rays, etc.
- *Residents staying in the B1 Class ward will receive government subsidy – this includes ward charges, DTF, as well as charges for medication, laboratory tests, x-rays, procedures etc.
- Information is correct at time of print (1st July 2023) and subject to revision without notice.
