

GP HPV Masterclass

Team-Based Learning on Cervical Cancer & HPV Vaccine

In conjunction with the annual SCCPS Colposcopy Course, Department of Obstetrics & Gynaecology will be organising a team-based learning GP HPV Masterclass. This small group discussion workshop is specially designed for doctors practising in the primary sector as a refresher and to update their knowledge on cervical cancer prevention.

2 MARCH 2019, SATURDAY

1PM – 4:30PM

NUH MEDICAL CENTRE, LEVEL 10, HEALTH

RESOURCE CENTRE

JOJOBA ROOM

(lunch and refreshments provided)

HIGHLIGHTS

- Updates on HPV Vaccination
- Case studies discussion on best practice
- The way forward in cervical cancer prevention
